

## **PRODUCT SPECIFICATION CLAUSE**

### **LGC245-560CE ECOSWORD FLOOR STANDING GAS FIRED CONDENSING WATER HEATER**

The **Water Heater** shall be a **Lochinvar EcoSword Model LGC245-560CE** complete with an integral storage vessel constructed of durable enamelled steel, and equipped with electronic ignition, ionisation flame monitoring and a fully modulating burner all controlled by a micro-processor. The mesh burner is designed to provide continuous modulation by controlling the gas/air ratio, and low emissions of NOx and CO<sub>2</sub>. A standard Correx™ electrical anode protection system is built in to provide extra protection to the inner surface of the storage vessel.

Specifications shall be as follows:-

- Gross nominal input of 32.2kW (29.3kW net)
- CE Certified with a Part L2 Gross CV Efficiency of 95.5%
- NOx emissions of no more than 37mg/kWh at 0% O<sub>2</sub>
- Capable of providing a 1<sup>ST</sup> hour peak supply of 760 litres with a continuous supply of 530 litres per hour at a 50°C temperature rise
- Ultra-quiet burner operation <58db
- 3 year warranty on the storage vessel

Flue Installation (delete as appropriate)

- Concentric balanced flue
- Parallel twin pipe balanced flue
- Conventional flue
- To be advised

In addition to the PartL, data above the Water Heater shall have an ErP rating as below:

**Water heating energy efficiency – 92%**

Energy Label Rating

**A**
