

Warranty: Squire Indirect Water Heater Range

Model	Warranty Period		Maximum Storage Temperature and Working Pressure
SIVS 330 / 440 / 550 / 660 GE	Vessel	3 Years	95°C / 7.0 bar On vessel, 6 bar on indirect coil
	All other components	1 Year	

Component Warranty

If within 1 (one) year of the invoice date or commissioning date of a Indirect Water Heater supplied by Lochinvar Ltd, following verification, and at the sole discretion of Lochinvar Ltd, an assembly or part (with exclusion of the vessel itself) proves to be defective or fails to function correctly due to manufacturing and/or material defects, then Lochinvar Ltd shall repair or replace this assembly or part.

Indirect Water Heater Warranty

If within 3 (three) years of the invoice date or commissioning date of a Indirect Water Heater by Lochinvar Ltd, following verification, and at the sole discretion of Lochinvar Ltd, the enamel-lined steel Indirect Water Heater proves to be leaking due to rust or corrosion occurring on the water side, then Lochinvar Ltd shall offer to replace the defective Indirect Water Heater with an entirely new Indirect Water Heater of equivalent size and quality. The warranty period given on the replacement Indirect Water Heater shall be equal to the remaining warranty period of the original Indirect Water Heater that was supplied.

Conditions

It is extremely important to adhere to an anode maintenance regime for the Indirect Water Heater range. It is imperative that regular inspection of the inner surface of the Indirect Water Heater be undertaken to assess the level of scale build up. Deposits of scale must be removed by suitable means to ensure against premature failure of the fabric of the Indirect Water Heater caused by corrosion.

Warranty Procedures

If a claim is to be made under the terms of our warranty, the original purchaser of the appliance should place a purchase order for the required component and obtain a Sales Return Order (SRO) number for the return of the defective component.

To process any warranty claim, we require the following information:

- Appliance model number
- Appliance serial number
- Date and proof of purchase
- Brief description of fault

Upon receipt of the defective component, it will be tested and if the component is found to be faulty, a credit will be raised against the relevant invoice.

The warranty period starts from the date of delivery of the original appliance unless the equipment is commissioned by Lochinvar, in which case the warranty period will begin from the completion date of the initial commissioning. Warranties are subject to the equipment being installed and maintained in accordance with the relevant Installation Commissioning and Maintenance Instructions and do not cover failures due to deliberate misuse, malicious damage, neglect, unauthorised alterations or repairs, accidental damage or third party damage. The warranty is held by the company/organisation that has placed the purchase order with us and is only valid if the appliance supplied has been paid for in full.

Lochinvar's total liability is limited to the value of the warranted appliance or component and it shall not be responsible for any loss of income, profits (actual or anticipated), contracts or for any other business related loss, indirect or consequential losses arising in connection with the warranted appliance or component.

We retain the exclusive right to replace the product or offer a refund at our sole discretion. Such remedy shall be your sole and exclusive remedy for any breach of warranty.

Lochinvar's standard terms and conditions apply to this warranty and in the event of any inconsistency between the two; the wording in this warranty shall prevail.
