The diagram illustrates the installation of the LG 30 shower head system. Key components are labeled as follows:

- 2**: Shower head body and arm assembly.
- 3**: Valve cartridge.
- 4**: Valve housing.
- 5**: Lever handle.
- 6**: Mounting bracket.
- 7**: Control knob.
- 8**: Mounting screw.
- 9**: O-ring seal.
- 10**: Mounting plate.
- 11**: Mounting hole.
- 12**: Mounting nut.
- 13**: Mounting bolt.

Arrows indicate the direction of assembly or adjustment. The diagram shows the shower head being mounted onto a wall and connected to the water supply via the valve and handle assembly.
