Model	Warranty Period	
LV338200 De-gasser	De-gasser + Pressure relief valve	2 years
Conditions	Working temperature must be no greater than 90°C.	

(1) De-gasser Warranty

If within 2 (two) years of the invoice date of a de-gasser supplied by Lochinvar Ltd., following verification, and at the sole discretion of Lochinvar Ltd., the de-gasser units proves to be defective or fails to function correctly due to manufacturing and/or material defects, then Lochinvar Ltd. shall repair or replace this assembly or part.

(2) Ancillary Options

The degasser will be supplied with a 6 bar pressure relief valve which will be covered via the same 2 year warranty. The warranty starts from the date of delivery.

(3) Conditions for installation and use

The warranty set out in articles 1 and 2 will apply solely under the following conditions:

- The de-gasser is installed under strict adherence to Lochinvar Ltd. installation instructions for the specific model and must be in accordance with the byelaws of the local water undertaking.
- The de-gasser remains installed at the original site of installation.
- The water temperatures used with the degasser do not exceed the maximum setting as shown in the table above.
- The de-gasser is installed in a non-corrosive atmosphere or environment.
- The de-gasser unit must be protected against environmental elements by insulating with a suitable external rated insulation system.

(4) Exclusions

Service parts and consumables are not included within the above warranty period, this includes (but is not limited to) any part identified within the Installation manual which should be changed as part of the service regime for the appliance. These parts have a 12-month warranty from the date of commissioning or from the date of delivery to site.

The warranty set out in articles 1 and 2 will not apply in the event of:

- damage to the de-gasser caused by an external factor.
- misuse, neglect (including frost damage), modification and incorrect and/or unauthorized use of the de-gasser.
- contaminants or other substances having been allowed to enter the de-gasser.
- any attempts at repair to a defective de-gasser unit other than by an approved service engineer.

(5) Scope of the warranty

The obligations of Lochinvar Ltd. pursuant to the specified warranty are limited to free delivery from the warehouse of the replacement assemblies, parts, or water heater, respectively. Labour, installation, and any other costs associated with the replacement will not be accepted by Lochinvar Ltd.

Claims

A claim on grounds of the specified warranty must be submitted to the dealer from whom the de-gasser was purchased, or to another authorized dealer of Lochinvar Ltd. Inspection of the de-gasser as referred to in articles 1 and 2 shall take place in one of the laboratories of Lochinvar Ltd.

Obligations of Lochinvar Ltd.

Lochinvar Ltd. grants no other warranty or guarantee over its de-gasser nor the (assemblies or parts of) de-gasser supplied for replacement, other than the warranty expressly set out in these conditions. Under the terms of the supplied warranty, Lochinvar Ltd. is not liable for damage to persons or property caused by (assemblies or parts) of a (replacement) water heater that it has supplied.
